UNICLEAN NEUTRAL

Highly effective neutral cleaner for all types of dirt

Product description
Uniclean Neutral is a highly effective, low-foaming cleaner for grease, soot and other dirt. Uniclean Neutral is ideal for use as a daily all-purpose cleaner. It is also gentle on surfaces. Uniclean Neutral is completely solvent-free and is therefore less harmful than traditional solvent-based degreasers.

Uniclean Neutral is formulated using several ingredients derived wholly or partly from plants. At least 42% of the organic carbon in this product comes from renewable sources. At least 99% of the organic ingredients are demonstrably biodegradable, based on OECD/ISO test data and documented supplier information.

Use
Uniclean Neutral can be used on almost any surface.

Characteristics
- Gentle on surfaces
- >99% biodegradable
- Highly concentrated
- Solvent-free
- Suitable for general use

Technical data

Odour:	Lemon
Colour:	Colourless
Specific weight:	1.00 kg/litre
pH:	Approx. 8

Application conditions
Uniclean Neutral can be used in all weather conditions.

Instructions
1. Dilute Uniclean Neutral depending on the level of soiling:
   Extreme soiling: onverdund
   Heavy soiling: 1:1 – 1:5
   Normal soiling: 1:10 – 1:30
   Light soiling: 1:50 – 1:100
2. Apply Uniclean Neutral using a low-pressure sprayer, brush or cloth.
3. Leave the product to work into the surface for a few minutes. Wiping it in with a white pad or power sponge speeds up the process.
4. Wipe the surface with water and/or a microfibre cloth. If used undiluted, rinse thoroughly with clean water.
5. Repeat the procedure if necessary.

Packaging
1, 5 and 10 litres

Consumption
Consumption depends heavily on the level of contamination and the dilution used.

Practical information
- Do not mix with other products.
- For heavy to extreme soiling, an alkaline cleaner such as Uniclean or Uniclean Low Foaming may be more effective.
- Dilute only with clean tap water, demineralised water or osmosis water.

Storage
Can be kept for at least 24 months in its original, unopened packaging. Store in a cool, frost-free place.

Safety instructions
Uniclean Neutral is not classified in accordance with Regulation (EC) No 1272/2008 (CLP). Nevertheless, avoid contact with the eyes and wear safety goggles. If in doubt, always consult the safety data sheet or our R&D department.

Technical support
Mavro is ISO 9001 and ISO 14001 certified. This means that quality and environmentally responsible practices are at the heart of everything we do, from our products to our expert advice. Our technical advisors and R&D team are always here to help. We're happy to discuss your challenges or specific requirements and find the right solution together. Whether it's a product from our existing range or a solution we develop specifically for you, we're here to help. Give us a call, send us an email or come and visit us!
