

DEEP CLEAN

A non-abrasive polish for extremely dirty surfaces

Product description

Deep Clean is a cleaning agent with strong cleaning and polishing properties

Deep Clean is very suitable for application on scratch-sensitive surfaces due to its very fine granules.

Deep Clean is very suitable for on-site cleaning of heavy fouling on a range of coatings, such as sheet piles.

Use

Deep Clean is applicable on practically all surfaces, including scratch-sensitive surfaces such as RVS, plexiglass, polycarbonate, glazed tiles, plastics and coatings.

Characteristics

- Scratch-free polish
- Safe for practically all surfaces
- Powerful cleaning properties
- Easy to use

Technical data

Odour:	Characteristic
Colour:	Beige
Specific weight:	1,08 kg/L
pH:	~ 7
Contains:	Very fine polish and surfactants

Application conditions

Deep Clean can be used in all dry weather conditions. Low temperature may delay the efficacy. Do not apply on hot surfaces or in direct sunlight.

Instructions

1. Apply Deep Clean undiluted with a damp microfiber cloth or power sponge.
2. Work the product through with a cloth or sponge to remove contamination and scratches.
3. Wipe with a clean microfiber cloth and rinse with water.
4. Repeat the procedure if necessary.

Packaging

1 and 5 L

Consumption

Consumption is 10-20 m²/L. Consumption is greatly influenced by the degree of fouling and the structure of the surface.

Practical information

- The polish can sink to the bottom of the packaging. Shake well before use.
- Do not mix with other products.

Storage

Can be kept for at least 12 months in original unopened packaging.

Store in a dry, cool and frost-free place.

Health and safety

Causes serious eye irritation. Avoid skin and eye contact, wear suitable gloves and safety goggles. If in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
