

FACADECLEAN STRONG

Powerful facade-cleaner for extremely soiled mineral surfaces

Product description

Facadeclean Strong is a liquid acid facade-cleaner based on hydrofluoric acid (HF) and hydrochloric acid. Facadeclean Strong has a very powerful efficiency and is applicable on the most extreme soiled mineral surfaces. Facadeclean Strong effectively removes common facade contaminations.

Use

Facadeclean Strong is suitable for most mineral surfaces including granite, sandstone, concrete, slate, brick, terracotta, unpolished marble, stucco and basalt stone. Facadeclean Strong can damage calcareous surfaces.

Characteristics

- Biodegradable
- Suitable for practically all lime-free stones and surfaces
- Easy application
- Very thorough and efficient cleaning that removes all types of facade contaminations

Technical data

Odour:	Pungent
Colour:	Transparent
Specific weight:	1,12 kg/L
pH:	<1
Contains:	Hydrofluoric acid (HF) and hydrochloric acid

Application conditions

Facadeclean Strong can be used in all dry weather conditions.

Instructions

1. Dilute Facadeclean Strong 1:5 to 1:20 with water, depending on the contamination of the surface.
2. Apply Facadeclean Strong with a soft brush or low pressure spray.
3. Let the product sit 10 to 60 minutes on the surface. Keep the surface saturated during treatment and make sure the product does not dry out.
4. Rinse and clean the surface with high pressure spray. Use between 50 and 200 bar of pressure, this depends on the surface. Use cold or warm water with a maximum temperature of 50 °C.
5. Repeat the procedure if necessary.

Packaging

10 L

Consumption

Consumption is 5-15 m²/L. Consumption greatly depends on the nature and degree of soiling and porosity of the surface.

Practical information

- Do not mix with other products. Be especially careful with alkaline products.
- Low temperature may lower the efficacy of the product, adjust the treatment time accordingly.
- Do not apply on hot surfaces or in direct sunlight.
- Do not allow the product to dry on the surface.

Storage

Can be kept for at least 24 months in original unopened packaging. Store in a ventilated, cool and frost-free place.

Health and safety

Causes severe burns and eye damage. Avoid skin and eye contact, wear suitable gloves, protective clothing and safety goggles. Facadeclean Strong contains hydrofluoric acid, contact your doctor immediately if you have any complaints. Always consult the safety data sheet or our R&D department before use.
