

INOX PRE-CLEAN

Very powerful ammonia-based cleaner for thorough cleaning of stainless steel

Product description

Inox Pre-Clean is a powerful ammonia-based cleaner. Inox Pre-Clean quickly and thoroughly cleans all types of contamination that are commonly found on stainless steel, such as fingerprints, stains and streaks. Inox Pre-Clean is used as the first step in the pre-treatment before applying Inoxcoat.

Use

Inox Pre-Clean can be applied on all stainless steel surfaces. Common surfaces are elevators, escalators, dispensers and cladding.

Characteristics

- ⊖ Very thorough cleaning
- ⊖ Easy to use
- ⊖ Powerful cleaning and degreasing properties
- ⊖ Safe to use on all stainless steel surfaces, suitable for both indoor and outdoor use

Technical data

Odour:	Mild ammonia
Colour:	Blue
Specific weight:	0,97 kg/L
pH:	11,2
Contains:	Ammonia

Application conditions

Inox Pre-Clean can be used in all weather conditions.

Instructions

1. Apply Inox Pre-Clean undiluted with a microfiber cloth.
2. Use a power sponge to remove stubborn contamination.
3. Rinse the surface with water or wipe with a damp cloth.
4. Degrease and dry with Inox Degreaser and apply Inoxcoat.

Packaging

1 and 5 L

Consumption

Consumption strongly depends on the degree of fouling and temperature.

Practical information

- ⊖ Do not dilute or mix with other products.

Storage

Can be stored for at least 24 months in original unopened packaging. Store in a cool, frost-free place. Keep away from direct sunlight and sources of ignition.

Health and safety

Wear suitable gloves, protective clothing and safety glasses. When in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
