

# MAVRO SOLAR CLEAN

Effective and safe cleaner for solar panels and solar cells

## Product description

Mavro Solar Clean is a specially developed cleaner for cleaning solar panels and solar cells.

Mavro Solar Clean contains no harmful or aggressive substances and can be used safely on all materials.

Mavro Solar Clean dries streak-free and is antistatic.

Mavro Solar Clean is effective against limescale residues, green deposits, dust, bird droppings, insects and other dirt.

Mavro Solar Clean is a very environmentally friendly product with a completely bio-based origin and 100% biodegradability.

## Use

Mavro Solar Clean can be applied to all materials on and around your solar panels including glass, aluminum, zinc, copper, PVC and silicone.

## Characteristics

- Safe for all substrates.
- Easily biodegradable and fully bio-based
- Dries streak-free and smudge-free
- Increases the efficiency of solar panels

## Technical data

Colour:	Light blue
Odour:	Slightly scented
Specific weight:	1.04 kg/liter
pH:	7 (pH neutral)

## Application conditions

Do not apply Mavro Solar Clean in full sunlight.

## Instructions

1. Dilute Mavro Solar Clean 1:10 to 1:20 with water, depending on the pollution
2. Apply Mavro Solar Clean with a low-pressure sprayer or a brush.
3. Allow the product to soak into the surface for a few minutes and work through with a soft brush
4. Rinse the substrate with clean water and allow to dry.

## Packaging

0.5, 1, 5 and 10 liter.

## Consumption

Consumption strongly depends on the degree of soiling and the dilution used.

## Practical information

- Do not mix with other products.

## Storage

Can be stored for at least 24 months in original, unopened containers. Store in a cool, frost-free place.

## Health and safety

Mavro Solar Clean is not classified according to Regulation (EC) No 1272/2008 (CLP). Nevertheless, the use of PPE is always recommended. If in doubt, always consult the safety data sheet or our R&D department.

## Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
