

INOXCOAT REMOVER

Efficient product for the quick and safe removal of Innoxcoat

Product description

Innoxcoat Remover is an effective cleaning agent for the quick and safe removal of Innoxcoat.

Innoxcoat Remover is used when Innoxcoat has to be completely removed from the substrate, for example after damage or renovation.

Use

Invisible Remover can be used on all stainless steel surfaces

Characteristics

- Easy to use
- Fast-acting and effective
- Removes Innoxcoat without leaving residues

Technical data

Odour:	Characteristic
Colour:	Transparent
Specific weight:	1,0 kg/L
pH:	8
Flashpoint:	55°C

Application conditions

Innoxcoat Remover can be used in all dry weather conditions.

Instructions

1. Apply Innoxcoat Remover undiluted with a microfiber cloth.
2. Allow the product to work for 5 minutes on the surface.
3. Wipe with a white pad or power sponge and proceed to rinse the surface thoroughly with water.
4. Clean the surface with Inox Degreaser and let the surface air dry. Reapply Innoxcoat according to the method described in the product data sheet.

Packaging

5 L

Consumption

Take into account a consumption of 2-5 m²/L depending on the contamination and the amount of layer of Innoxcoat that has to be removed.

Practical information

- Do not dilute or mix with other products. Be careful with alkaline products.
- Low temperature can decrease the efficiency, adjust the dwelling time accordingly.
- Do not apply in direct sunlight or on hot surfaces.
- When used indoors, ensure proper ventilation.

Storage

Can be stored in original unopened packaging for at least 12 months. Store in a dry, cool and frost-free place. Keep away from direct sunlight and sources of ignition.

Health and safety

Avoid skin and eye contact, wear suitable gloves, protective clothing and safety goggles. When in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
