

OIL REMOVER

Specially developed remover for removing oil stains

Product description

Oil Remover is a liquid remover based on a very strong mixture of emulsifiers and surfactants.

Oil Remover effectively removes soot, oil-residues and grease marks from different surfaces.

Oil Remover is biodegradable and safe to use.

Use

Oil Remover can be used safely on all types of stone and mineral surfaces.

Characteristics

- Biodegradable
- Quickly and efficiently removes all oil and grease
- Suitable for practically all surfaces
- Fast-acting and effective

Technical data

Odour:	Practically odour-free
Colour:	Transparent
Specific weight:	1 kg/L
pH:	~ 9,5 (light alkaline)
Contains:	Emulsifiers and surfactants

Application conditions

Oil Remover can be used in all dry weather conditions. Ensure proper ventilation when used indoors.

Instructions

1. Wet the surface beforehand with cold water.
2. Use Oil Remover undiluted or 50% diluted with water.
3. Apply Oil Remover evenly with a low pressure spray.
4. Allow the product to work 5-30 minutes on the surface and ensure that the surface stays moist during treatment.
5. Rinse the surface with high pressure (50-200 bar) and warm water (50°C).
6. Rinse again with water to remove the last remaining product residues.
7. Repeat the process if necessary.

Packaging

1,5 and 10 L

Consumption

Consumption is 3-5 m²/L depending on the pollution and dilution.

Practical information

- Do not mix with other products.
- Low temperatures may decrease the efficiency of the product. Adjust the treatment time accordingly.
- Do not use in direct sunlight or on hot surfaces.
- Clean tools and product residues with clean water.

Storage

Can be stored in original unopened packaging for at least 24 months. Store in a dry, cool and frost-free place.

Health and safety

Avoid skin and eye contact, wear suitable gloves, protective clothing and safety goggles. When in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
