

# UNICLEAN HIGH FOAMING

Powerful alkaline form cleaner for universal use

#### Product Description

Uniclean High Foaming is a highly efficient alkaline foam cleaner for universal use. The product can be used as a foam for so-called 'touchless cleaning' where working with brushes is not necessary. Uniclean High Foaming is 100% biodegradable and contains no harmful ingredients such as EDTA, NTA, acids or phosphates. Uniclean High Foaming has been developed with only environmentally friendly ingredients and consists for a large part (>90%) of bio-based raw materials.

#### عوا ا

Uniclean High Foaming can be applied to almost all surfaces. Be careful with alkali-sensitive surfaces such as aluminum.

# **Properties**

- Effective against both inorganic and organic contaminants
- Strong cleansing effect
- Suitable for touchless cleaning
- Forms a stable foam
- > 100% biodegradable
- Contains no NTA, EDTA, phosphates or acids

#### Technical data

Color: Yellow
Fragrance: Citrus
Specific gravity: 1.02 kg/liter
pH: 13 (undiluted)

## Application conditions

Uniclean High Foaming can be used in all dry weather conditions. Do not apply in direct sunlight.

#### Instructions

- Uniclean High Foaming depending on the degree of contamination dilute to 1:30 with water.
- Apply Uniclean High Foaming with a suitable high pressure foam equipment for the desired foam effect.
- 3. Let the product act on the surface for a few minutes. In case of stubborn contamination, continue working with a soft
- 4. Rinse the surface with appropriate pressure.

# Packaging

10 and 1000 liters.

#### Technical consumption

Consumption is highly dependent on the type and degree of pollution.

# Practical information

- Do not mix with other products. Be especially careful with acidic products.
- Only dilute with clean tap water, demiwater or osmosis water.
- Do not apply to hot surfaces or in direct sunlight.
- Dilution affects the stability of the foam.

#### Storage

Shelf life in original unopened packaging for at least 24 months. Store in a cool, frost-free place.

#### Safety

Avoid skin and eye contact, wear appropriate gloves, protective clothing and goggles. If in doubt, always consult the safety data sheet or our R&D department.

# Technical Support
